Small, handy, versatile!

This small and handy laser distance meter has a range of 100 m and is equipped with many interesting functions. Measurements out of corners or from edges are no problem with the multi-functional end-piece.

Featured with:

- Bluetooth® Smart for data transfer to smart phones and tablets
- Multifunctional end-piece to measure out of corners and from edges
- 100 m range
- X-Range Power Technology
- Clear, illuminated 3 line display
- IP 54 dust and splash water protected

Bluetooth® Smart

The latest Leica App DISTO™ sketch is the ideal link between the Leica DISTO™ D110 and a smartphone or tablet. With it you can prepare layouts and drawings, and dimension them precisely.

Multifunctional end-piece

Whether measuring out of corners, slots or from edges, with this end-piece you are prepared for all measuring situations. The instrument detects the end-piece automatically, which helps to avoid expensive measuring errors.

Long distances

With the help of the innovative X-Range Power technology this small device can measure long distances of up to 100 m. In addition, this technology ensures optimum measuring performance, i.e. fast and reliable measurements.

Useful functions

Functions such as addition and subtraction, area and volume calculations make every measurement task child's play. The instrument stores the last 10 measurement results.

Leica DISTO™ D2

Art. No. 837031

- Leica DISTO™ D2 laser distance meter
- Holster
- Hand loop
- Batteries

Technical Data

Accuracy, typ.	± 1,5 mm
Range	0.05 – 100 m
Measuring units	m, ft, in
